## SUMMARY

Recent Full Stack Web Development bootcamp graduate seeking an introductory Development or Project Management role. Strong background in leadership, problem solving, and communication.

## SKILLS

Technical: JavaScript, HTML, CSS, SQL, MySQL, Express, Node, Handlebars, jQuery, Bootstrap, MongoDB

Supplemental: GitBash, Heroku, GitHub, Slack, Zoom

## PROJECTS

***Social Network Backend Application*** | https://github.com/elarso2/SocialNetworkAPI

Summary: Backend application which allows users to be created/updated/deleted, and for friends to be added, and removed. Functionality also applicable to thoughts, with capability for reactions to be added to a thought.

Tools: Mongoose, Express, Moment

***Collaborative: Social Media & Fund Sharing Site ("Thoughts for Shots")*** | https://github.com/elarso2/ThoughtsForShots

Summary: Group bootcamp web app for a social media site which allows users to share a thought about their day and allows friends to buy their friends a shot to celebrate their day, using Stripe to process payments.

Developed backend functionality with models, schema, and mutations to allow thoughts and comments to be created/deleted.

Tools: Chakra UI, Apollo, Express, GraphQL, React, MongoDB, Node, Stripe

***International Summer Academy in Engineering for Women*** | University of Applied Sciences - Upper Austria                2017

Received top nomination and sponsorship from Saint Martin's STEM professors to complete an interdisciplinary program in Austria for women in Natural Sciences, Computer Science, and Engineering. Studied robotics, conservation biology, and aerospace engineering, and strengthened communication skills across language and academic barriers.

## EXPERIENCE

**Taproom Manager, Social Media/Event Promotion,** No Boat Brewing Company, Snoqualmie, WA                08/21-Present

Assist in planning and creating promotional content for multiple events per quarter, leading to record breaking sales | Contribute to merchandise design | Interface with hundreds of customers daily | When tasked with leading social media, engagement increased measurably by 150% across multiple platforms

**Phlebotomist,** BioLife Plasma Services, Longmont, CO                10/20-05/21

Directed donor flow | Monitored 6-12 donors simultaneously for venipuncture troubleshooting and reactions | Advocated for patient safety and anticipated staff needs | Consulted with donors about procedure, protocol, and pay | Adhered to Federal and International safety guidelines to ensure safe and secure donations

**Receptionist,** Peak Sports and Spine Physical Therapy, Snoqualmie, WA                08/19-09/20

Managed patient and provider schedules | Coordinated with dozens of outside providers weekly | Responded to patient requests and concerns within 6-8 hours | Ensured patients fully understood their health benefits | Obtained visit authorizations from private and Federal insurance companies
